

INVITATION TO & TERMS OF PHOTOGRAPHY CONTEST

Our company “TRAGOS S.A.” (General Commercial Registry No. 146721901000) has the pleasure to invite professional and amateur photographers to participate in the photography contest on the subject: “The Billy Goat” (hereinafter: “the Contest”).

The billy goat is a primordial symbol of nature. It embodies physical strength and fertility. It dominates the Greek territory, as it can move and feed in barren and inaccessible places. There are many such areas in Greece.

Comparable to its significance for the survival of the people of our country, is its presence in our culture, especially the ancient Greek. It is intertwined with the worship of Dionysus and the Greek tragedy, it appears as Pan or as a satyr, it plays a major role in Aesop’s fables ...

The purpose of the Contest is to get the photographers and the audience acquainted with the billy goat and its natural habitat, as well as to contemplate the timeless importance of nomadic livestock farming for the prosperity of our people.
